

New Venture Entrepreneurial Series

October and November, 2017

Essential, in-depth trainings for individuals thinking about starting a new business and new business owners:

Business Assessment, Legal Requirements and Marketing Analysis • Cost Analysis • Funding • Business Planning Strategies

Requirements: In business for less than one year or thinking about starting a business. Attend complete series to prepare for one-on-one business consulting.

Cost: Cost for New Venture Entrepreneurial Series (4 workshops) is **\$50 prepaid** or **\$60 at the door** (check, cash or credit card). New Venture Entrepreneurial Series includes Legal Requirements, Market Analysis, Cost Analysis, Funding Options, and Business Plan Overview. See detail below.

Time: **See back** for complete schedule (**Times, Dates and Locations**).

Information: **Pre-registration is required**, space is limited. All workshops start promptly at scheduled time. Late arrivals will be rescheduled for next month's training.

Part I - Legal Requirements & Market Analysis

A 2-hour workshop that provides prospective and new business owners an overview of what it takes to start and run a small business, resources available in your communities, legal requirements, how to assess your: Industry ~ growth, size, spending habits, market potential; Target Market ~ profiles, trends, reach, strategies; and Competition ~ who, what, why. Includes hands-on activities, brainstorming and more.

Part II - Cost Analysis

A 2-hour workshop highlighting how to calculate and analyze: Start-up Costs ~ one time expenses, needs versus wants, creating an accurate list; Operating Expenses ~ fixed and variable costs, calculating accurate projections, monthly costs, and business financial viability essentials in obtaining a loan, identifying capital, and planning for direction.

Part III - Funding Your Small Business

A 2-hour workshop focusing on how to access funding through various sources including: SBA guaranteed loan programs, traditional/conventional bank loans, crowdfunding, online sources, investments and family and friends. You will get an overview of the types of loans available and how to use them, investment procedures, legal structure, how to prepare for loan opportunities, what you need to know and the documentation that you will need to apply.

Part IV - Business Plan

A 2-hour workshop concentrating on an overview of the business plan, purpose, content and preparation for obtaining a loan or for better direction. Topics include: business description, products & services, market information & analysis, promotion, management and personnel, facility, financial statements, and projections and future planning. You will learn how to incorporate information from the three sessions into a concise business plan.
