

Social Media and Technology Trainings

NEC SBDC at Butte College offers in-depth technology, social media trainings, and one-on-one business consulting in all areas of internet marketing and online management. In today's business, technology can be an inexpensive and effective tool for engaging with existing customers, and attracting new clients, but within reason. Our workshops are designed to help business owners better understand emerging technologies, effectively utilize online tools to reach target markets, measure outcome, and increase sales by building rapport with new and repeat customers. Pre-registration and payment required where applicable.
